

## Industry seminars

*sharing knowledge and expertise to help manage your workers' health and safety*

Our complimentary seminars cover a range of industry topics lead by our team of subject matter experts. The seminars aim to provide you with insights to help manage your workers compensation obligations and to develop strategies for worker education and injury prevention.

Please share this invitation with colleagues who may benefit or be interested in these sessions.

	NSW coal industry workers compensation scheme	Managing psychological injuries	Managing chronic pain
